Roles and Duties for the Council on University Relations

- Advise the Dean and Medical Staff Executive Committee on deliberations of the faculty senate and its subcommittees with particular relevance to the School of Medicine (SOM) and other matters relevant to enhancing the School's relationship with the University as a whole
- Be advised by the Dean and the Councils and Appointments and Promotions, Academic Affairs, and Research and Graduate Education about policies, initiatives, and other matters in the SOM that require representation and articulation in the faculty senate
- Facilitate effective representation in the faculty senate of inquiries, initiatives, and matters of concern raised by SOM faculty members through the School's elected senators
