SPEAKERS

Speakers for this series will include a variety of healthcare professionals with expertise in clinical ethics, research ethics, infectious diseases, pulmonary and critical care medicine.

SERIES OBJECTIVES

1. Identify ethical questions in the context of the COVID-19 pandemic.
2. Apply different ethical frameworks to respond to ethical conflicts and uncertainties related to the COVID-19 pandemic.
3. Understand the perspectives of practicing healthcare professionals from diverse healthcare roles across the region.

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 6 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is 1.0 credit)
