RE: Physiology Dept. Affiliate Faculty

The Physiology Department faculty review annual and term appointments including adjunct and affiliate appointments every year and vote on their renewal or non-renewal. This is now done via email and Catalyst survey.

The criteria for affiliate faculty appointments and/or promotions will be similar to those used for the research and regular faculty in our department. These criteria were recently updated in July 2019.

Sincerely,

Stanley C. Froehner, Ph.D.
